Explanation of Responses:

1. The option vests and becomes exercisable with respect to 100% of the shares of common stock underlying the option on the earlier of (i) the one-year anniversary of the date of grant (May 11, 2023) or (ii) the day immediately preceding the date of the annual meeting of stockholders that occurs in the year following the year of grant.

Remarks:

The original Form 4, filed on May 12, 2023, is being amended by this Form 4 amendment solely to correct an administrative error, which misreported the number of shares of the Issuer's common stock subject to an option granted to the Reporting Person as 7,160 shares, when in fact the correct number was 8,183 shares. The option was granted automatically to the Reporting Person on date of the annual meeting of stockholders held on May 11, 2023, pursuant to the Issuer's non-employee director equity compensation policy.

** Signature of Reporting Person Date

Reminder: Report on a separate line for each class of securities beneficially owned directly or indirectly.
